WE HEARD FROM

- Another request for contact information for instructor Bob Walters. This time from Wendy Jamula Morin TCH 1990. We contacted Mr. Walters and he is anxious for the opportunity to talk with his ex-student.
- Ken Renner asked about the JFK Varsity

Club. Roger Bechtol was contacted and provided us with the answer below.

The JFK Varsity Club was established in the Spring of 1966. Each inductee was required to have a notebook that contained a list of all original and future members and additional information such as the words to the fight song. Inductees were required to know all the words to the fight song and be ready to sing them when asked by a member. Members were very proud to wear their Varsity Sweaters and or their Varsity Jackets. The proudest must have been those whose Varsity Letters stated State Champions. JFK in the seventies won four consecutive State Championships in men's gymnastics. Also had 26 All-staters and 4 All-Americans. Bob Sclater was the sponsor assisted by Roger Bechtol.

REMEMBERING PAST PRINCIPALS

Harry S Truman

James Zimmerman (by Ken Nelson)

When Mr. Zimmerman was appointed Principal of HST, I had the good fortune to be appointed his Assistant Principal.

Working with Jim on a daily basis I learned much about the man. He spent much of his early years in a Catholic Seminary preparing to be a Priest. Jim changed his mind and having had extensive training in English and Latin he pursued a teaching degree and later taught these classes at both Taylor Center and Truman High Schools. He was also accomplished in the knowledge of humanity which made him very understanding and kind to others. He had remarkable priorities. His first allegiance was to the God of his faith, second to his family (wife Helen, daughters Mary Therese and Christa) and then to the mentoring of students as they developed academically and personally.

As you can see, I greatly admired Jim, appreciated his example and was grateful for his support and friendship. I have always said Jim was the most Christian man I'd have ever known.

Jim Zimmerman passed, much too soon, January 16, 2003. I am certain his presence and educational contributions to the Taylor School District and Truman will

be remembered and appreciated by all he encountered and influenced.

John F Kennedy's 3rd Principal

Wayne Hamilton

Wayne followed two excellent Principals, James Maley and Carl Bargamian. From all who knew him as a man and a Principal he too was viewed as excellent.

Mr. Hamilton had a great resume for the position of Principal, having spent 22 years in the Taylor School District. He taught at all three levels, Elementary, Jr. High and High School. Wayne coached Basketball, Football and Baseball and had great success at all three. He was coaching Basketball at TCH and his team reached the Regional Finals. His baseball teams at JFK had outstanding records including a trip to the Michigan State High School Finals. Three of many great athletes signed professional contracts. The three from his outstanding baseball program were, Steve Avery, Ray Graph and John Olson.

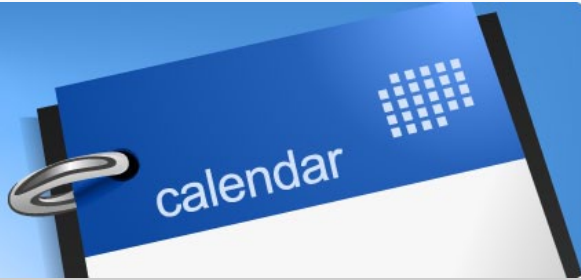

Wayne was Principal at John F Kennedy from 1994 to 2007 and has very fond memories of the school, students and staff.

Mr. Hamilton is still active in Taylor, bowling and golfing in the Taylor Teachers Leagues. He is a highly regarded Basketball referee, being chosen for State Tournaments.

The Taylor Alumni Association Congratulates Mr. Wayne Hamilton on a great career and wish him the best in all future endeavors. 🍷
